## Playing Time

Each member is assured to play in at least half of every game **REGARDLESS OF SKILL** as long as they keep a good attitude, good attendance, work hard at practice and show good sportsmanship on and off the field. Players who cannot meet these simple standards will have their playing time limited. Participation, instruction, teamwork and discipline are emphasized over winning and intense competition. **Being a better athlete does not overshadow being a better team member.**

## UNIFORM REQUIREMENTS

Each member must pay a **\$75.00 uniform** fee at sign up and mom or dad must sign for the uniform. The fee covers the cost of the cap, shirt, numbers, socks and pants for the season. A full, complete uniform must be worn to all games. Boys must wear an athletic cup supporter for all games and practices. Players may wear gym shoes or spikes (without exposed metal on the bottom). *Players may bring their own bat as long as it is approved by the NBGC Staff and can be used by both teams playing.* All Equipment must be marked with the child's name.

## MONKEYSHINES KEEP YOU INFORMED

Everything a player or parent needs to know about the NBGC programs are included in the weekly "Monkeyshines". Game & meeting schedules, standings & team articles, parent news & other items are included each Saturday. Monkeyshines are posted each week on the website [www.nbgc.org](http://www.nbgc.org). Ask your child to bring home a copy every week! If anything is unclear, please call us at 463-1848 and ask one of our friendly Counter Leaders.

## Good Attendance is an NBGC Expectation

Players should attend their games regularly regardless of weather, video games, etc. Players must maintain an attendance record of at least 50% to remain on the active roster. A player who cannot make his/her game should have their **mom or dad call NBGC to notify the Staff.** Those with poor attendance will have their playing time cut or will be benched until there is improvement. Too many absences can cause a player to be dropped from the team. Parents are asked to discourage their children from missing games or quitting, and to finish what they start regardless of the result. **Quitting does not build character, but living up to your commitment to your team does.** Winning should not be your reason for playing.

## RESPECTFUL CONDUCT REQUIRED

Poor behavior and disrespectful words and actions are not acceptable. We will not permit swearing, foul language, offensive hand signs or signals. **These actions result in ejection** from the activity and clubhouse and bring a phone call to a parent. The same results occur when there is fighting, violent arguing, name-calling or intimidation. The penalties range from probation and one-game suspensions to loss of membership.

**If you ride your bike to the Club bring a lock. Bikes will not be allowed inside the Clubhouse.**

## RESPECT STARTS AT THE DOOR

**Hats and headgear are to be removed at the door when entering the Clubhouse. Rules apply to everyone 1-100 years old. Special consideration will be given to our youngest and oldest visitors.**
