PARENT GUIDELINES DUE TO COVID-19

Athletic Program 2020

At the Neighborhood Boys and Girls Club the safety and well-being of our members, community, leaders and staff is our top priority. As we continue to navigate through these unprecedented times, we at NBGC are taking all necessary precautions to ensure that we will provide a fun and safe environment for our families this summer. In order to properly and effectively run programs the Neighborhood Boys and Girls Club will be following CDC, IDPH, IDHR, IDHS, ACA, City of Chicago and state of Illinois's Restore plan recommendations. In addition to these recommendations the Neighborhood Boys and Girls Club will be implementing the following best practices:

Wellness Screenings

Initials _____

All children must be accompanied by an adult at drop off. Adult must remain with their child(ren) until wellness screening is complete. Wellness screening will consist of temperature check as well as routine wellness questions. If a child exhibits a temperature above 100.4 degrees Fahrenheit, they will not be allowed onto the fields to participate in program for the day.

Safety procedures

Initials _____

If a participant has symptoms related to COVID-19, they should wait to enter premises until they have had no fever for at least 72 hours, other symptoms have improved, and at least 10 days have passed since their symptoms first appeared. If participant does contract COVID-19, they should notify NBGC staff and remain isolated at home for a minimum of 10 days after symptom onset and can be released after feverless and feeling well (without fever-reducing medication) for at least 72 hours OR has 2 negative COVID-19 tests in a row, with testing done at least 24 hours apart.

Face coverings

Initials _____

Notice: All members will be required to wear a face mask or cloth covering when social distancing of 6-ft cannot be achieved. Exceptions will be made during outdoor activities when social distancing can be easily maintained.

Hand washing

Initials _____

All youth and staff will be required to wash their hands thoroughly throughout the day after each new activity. When soap and water is not accessible i.e. during outdoor activities, group leads will provide members and staff with hand sanitizer.

Sunscreen

Initials _____

All youth should come to NBGC with sunscreen already applied. In order to avoid contact we ask that you send your child with spray sunscreen labeled clearly with their name. NBGC staff will assist in spraying and will take additional safety precautions to ensure we are keeping our members safe.

Programming during renovations

Initials _____

The NBGC Clubhouse and Revere Park Field House will be closed during renovation. There will be portable restrooms available onsite. The facilities will follow all cleaning sanitation and social distance guidelines. All practices will be held outdoor for their entire duration.

Inclement weather cancellations

Initials _____

Practices will be held in all-weather rain or shine (and even snow)! However, if the weather becomes hazardous to the participants, staff, or fields we will cancel practice for the day. Due to social distancing guidelines and lack of indoor shelter, we will remain cautious and communicate any cancellations at the earliest opportunities.

Spectator policy

Initials _____

In accordance with Phase 4 of Restore Illinois Plan and social distancing guidelines only youth registered will be allowed on the field during their designated practice day and time. No spectators (parents, friends, siblings, etc.) will be allowed on the field during the practice time.

Scrimmaging consent

In accordance with Phase 4 of Restore Illinois Plan, youth are allowed to participate in non-competitive intra-team scrimmages with parental consent. By signing this agreement, you are giving your child the authority to participate in non-competitive scrimmages.

Yes, _____ has my permission to participate.

No, my child(ren) cannot participate.
