Form must be completed in its entirety. See backside for additional guidelines.

Athletic Guidelines Due to Covid-19

Fall 2021

At the Neighborhood Boys & Girls Club the safety and well-being of our members, community, leaders and staff is our top priority. As we continue to navigate through these unprecedented times, we at NBGC are taking all necessary precautions to ensure that we will provide a fun and safe environment for our families. In order to properly and effectively run programs the Neighborhood Boys and Girls Club will be following CDC, IDPH, City of Chicago, and state of Illinois's Restore plan recommendations. In addition to these recommendations the Neighborhood Boys & Girls Club will be implementing the following best practices:

Face Coverings

Participants are required to wear a face mask or cloth covering in the building.

Wellness Screenings

Weekly wellness screenings are required for all sports that require close contact with an unvaccinated individual.

Safety Procedures

If a participant has symptoms related to Covid-19, they should wait to enter premises until they have had no fever for at least 72 hours, other symptoms have improved, or at least 10 days have passed since their symptoms first appeared. If participant does contract Covid-19, they should notify athletics@nbgc.org and remain isolated at home for a minimum of 10 days after symptom onset and can be released after feverless and feeling well (without fever-reducing medication) for at least 72 hours OR has 2 negative Covid-19 tests in a row, with testing done at least 24 hours apart.

Hand Washing

All youth and staff will be required to sanitize their hands thoroughly throughout the practices after each new activity. Hand sanitizer will be provided. Soap and water will also be accessible inside the Clubhouse.

Water Bottles

Due to the State of Illinois building guidelines, the NBGC building does not have functioning water fountains. Participants should bring a filled water bottle labeled with their first and last name.

Travel Policy

If the participant travels, we ask that you comply with Chicago's Emergency Travel Order, which may require a 14-day quarantine or proof of a negative Covid-19 test before returning to program. We also ask that you notify athletics@nbgc.org of any travel outside the city, state, or US immediately. Return to program will be handled on a case by case basis.

Inclement Weather Cancellations

Practices and games will be held in all weather conditions. However, if the weather becomes hazardous (lightning/thunder) practices and games will be cancelled. We will communicate cancellations at the earliest opportunity.

Yes, _____ has my permission to participate.

No, my child(ren) cannot participate

Signature of parent/legal guardian
