

# WIN A FOOTBALL JERSEY!

A football jersey will be awarded the boy who suggests the best name for this weekly paper. All names must be submitted to Mr. Henke not later than September 15th. Come on fellows,--who has the best one?

### --EDITORIAL--

This is the first issue of the official newspaper of our club, and the first official use of our new name,--  
"THE ANAKIJIG BOYS CLUB".

It is the hope of the staff that the newspaper will meet a real need, and that the name will prove satisfactory.

The name is an Indian name of the Algonquin Indian Tribe. The Algonquins, before the coming of the white men, lived and hunted in this district. The name ANAKIJIG means "WE SERVE". We believe it is appropriate, for we seek to serve the boys of the River Park District.

### --PREP FLASHES--

All preps must be present at the 9:15 AM Saturday Pow Wows--Remember, 100 points to every club with perfect attendance. See you Saturday mornings.
