REMEMBER N.B.C. 'S "2L" ON VETERANS DAY!

The football program on WEDNESDAY, NOVEMBER 11th will again be dedicated to the memory of the 24 former N.B.C. boys who made the supreme sacrifice in the last world war and present conflict.

Their sacrifice was made so that you boys could continue to live in the American Way. Those 24 took part in the same activities as you; they held weekly meetings, played in tournaments, and on the gridiron showed their fighting spirit and sportsmanship by playing under ANY and ALL conditions. It was the same spirit displayed back in 1931 which prompted Mr. Robert Buehler, founder of the Club, to develop the N.B.C. into a permanent organization.

Those 24 played on Armistice Day (now known as Veterans Day) not too long ago and stood at attention while paying their respects to the men who made the sacrifice in the first world war -- NOW IT'S YOUR TURN TO PRAY FOR THEM!

At a given signal at 11:00 A.M. every boy in the park should face east with his helmet or cap in hand, and head bowed in silent prayer for N.B.C.'s "24". We know that if those "24" could look down at Revere Park, they'd surely feel that their sacrifice was not in vain. The schedule of 13 games for that day is on page 2.

LOTH ANNIVERSARY BANQUET RESERVATIONS

Tickets will be on sale at the Clubhouse for our 40th Anniversary Banquet & Dance starting today. As most of you already know, it will be held on February 13th in the brand new banquet hall of the Sheraton-Ohare.

trance.

The program for the banquet will be announced as soon as all the arrangements have been made.

After the capacity of 1200 tickets are out, additional reservations will be listed in the order received, for those which might be returned, from the ticket chairmen.

CARD & BUNCO PARTY ON NOVEMBER 20TH

The next Card & Bunco Party will be held in the clubhouse on Friday, November 20th at the usual time. There will be excellent prizes, and with the Holiday Season upon us, we'll give a number of turkeys away for your Thanksgiving Dinner. Don't miss it as Dr. Ritt plans many special "fun events" for the evening.

DON'T MISS YOUR MEETING!

With so many things ready to take place within the next few weeks it is very important that you attend your meetings. For next week's special be sure to look on page 3.

"YOU AND ME"

We would like to thank the following boys who helped us clean up around the clubhouse on election day - John Olzeski, Ken and Ron Koran, Brian and Tony Gonzalez <u>Nick Esposito</u>, who works in the fieldhouse fell down some stairs and broke his toe Tickets are \$10 each including gratuities, and also injured his back. Right now he and parking is free right next to the en- is at West Suburban Hospital in traction is at West Suburban Hospital in traction. Nick is going to be out of action for about two weeks so how about sending him a card. Address it to:

Besides Nick, Dave Thorsen of the Tribe Astros is going to be out for a while with a pulled muscle. Has anyone seemed to notice that you can't hold the Poison Pen down? Rich Paschall couldn't stay away from writing so now he's writing "Something To Think About." If you think about the things he writes, it turns out to be something to think about. "Go Cougars" is the cry of Mrs. Pat Bradley, mother of Brian. Mrs. Bradley was seen pacing up and down the eastern sidelines carrying a big sign with her

battle cry on the face of it. What happened to the "You Didn't Have Your Wheaties - boy of the week award"?

BUCCS FALL TO COUGARS

By: Guy Vitello In a well-played game, despite the fact that the Buccs had only 8 men present, the Cougars slipped by their opponents 13 to '0. The Cougars scored right after the kickoff on a fine pass play. Dave Macereskis took a pass from Q.B. Mike Loosevelt, and then streaked down the sidelines for a 40 yard touchdown pass reception. That was the scoring until the 3rd quarter as the defenses took over. Mike Loosevelt, at this time, caught the Bucc's defense sleeping as he ran the ball over after a fine bootleg. Gerry Baumann then added the PAT on a line plunge. This concluded the scoring as the mud slowed both offenses down. Pat Hughes and Wayne Hoffman played a fine game for the Buccs in spite of their team's shorthandedness. The Cougars played very well and are looking forward to a climatic finish this season. ------

BATH TUB "PILE-UP"

What does that mean? The Jets & Chiefs found out after their game last Saturday. They piled 19 boys from both teams into a bath tub. All the rest of the teams will have a chance to try to pile as many kids as possible in our tub without tipping it over or touching the ground, on Veterans Day after the game or on Saturday, Nov. 14th after the team's game. Only the boys who show up who are on the team will be able to participate so the idea is to get out as many boys as possible. This activity will be run after the game in full football dress. The bath tub will be in front of the clubhouse.

Good luck to all - let's see the greatest turnout ever!

READ THIS! PRE-THANKSGIVING DAY MEETINGS Beginning Tuesday, November 17th, every boy who attends his meeting that week at the time scheduled will receive a bag of 1CO CANDY KISSES. If we run out we'll give each boy a can of pop. Remember it's for next week only - so don't miss your meeting!

On Veterans Day, November 11th, the Clubhouse will be open from 9:00 A.M. until 9:00 P.M.
